**Teaming up in support of volleyball:
for the third year UnipolSai is title sponsor
of the National Men's Volleyball Championships**

For the third consecutive year, UnipolSai Assicurazioni is Title Sponsor and Events Partner for the men's Serie A Volleyball League. The insurance company thus unites its brand with the Serie A1 Superlega and Serie A2 championships again for the 2016/2017 season, pursuing its corporate sponsorship program aimed at supporting initiatives and projects in five different areas of action dedicated to spreading values that can improve the wellbeing of the community.

This support is in line with the principles of social responsibility that guide the Unipol Group – of which UnipolSai is a subsidiary – in its daily business, which arise from the precise awareness that the choices of today influence the future of the new generations. This is why UnipolSai and the entire Unipol Group commits to young people by paying particular attention to sports as a vehicle for individual and social growth and development.

The Unipol Group strongly believes that sports, if played with passion, loyalty, fairness and transparency, can promote the values necessary for people to grow in society.

For the Unipol Group thinking of people's future also means thinking of what they love. Sport.
